Dining Plans

2009 | 2010

Who knew one card could give you so much value?

A dining plan is easier than paying with cash, and lots of choices mean you can go vegetarian one day and meatlover the next. You don't have to trek off campus or raid the vending machine for something new, and you can pick the right plan for your schedule. All that value makes a dining plan a no-brainer. Check out our Dining DVD for more information on our locations. That's one little card with lots of big advantages. Lucky you. www.ASU.CampusDish.com

Dining plans are:

Effortless. You don't have to worry about wasting money on ATM fees or carrying cash... Just swipe your ASU ID card and go! To purchase your plan or add M&G Dollars, visit www.ASU.CampusDish.com today!

Affordable. The best part? The more you add in M&G, the more you save with our Bonus Rewards AND your M&G stays with you as long as you are associated with ASU.

You'll get instant access to places for you and your friends to get together and eat. It also means you can skip the vending machines for something healthier. A dining plan makes it easy to connect, refuel, and save time because your meal plan is pre-loaded on your ASU ID. We have designed plans with commuter students, faculty and staff in mind.

How Dining Plans work:

MAROON & GOLD (M&G) DOLLARS M&G works like a debit card and can be used in all of our dining locations. M&G Dollars may be purchased at any time starting with as little as \$25. M&G Dollars are accepted at all campus dining locations on the Downtown Phoenix, Tempe, Polytechnic and West campuses.

Once you have a dining plan, just swipe your card and the meal charge is deducted from your account automatically. If you run out of meals or M&G before the semester is over, not to worry. You can add more at any time – with as little as \$25 – just visit www.ASU.CampusDish.com. M&G is valid until as long as you are associated with ASU. With Sun Devil Dining, there's never an excuse not to eat; and there's never an excuse not to eat well!
