There are many affordable meal plan options. Just pick the one that works best for you, and you won't have to worry about carrying cash or keeping your mini fridge stocked all semester.

First year students can choose either the Premier 19 or Rocket 15. However, a first year student living in the Quad (Mackinnon, Dowd, Nash & White) may choose from the Premier 19, Rocket 15 or Flex 10.

If you have 30 or more credit hours, you may choose any of our five available meal plans. Not sure? Ask the Meal Plan Wizard on our website: www.utoledo.campusdish.com

FAQs

Can I carry over my unused meals to the next week?

It depends on your plan. If you have the Block 125, you have 125 meals to use during the semester. However, if you have the Flex 10, Lite 10, Rocket 15 or Premier 19, the meals must be used in the week they're assigned and cannot be carried over to the next week. All meal plans conclude at the end of the spring semester.

Can I change my meal plan?

Yes. Enrolled students are eligible to drop or change their meal plan before the end of the normal Drop/Add period. Change your Meal Plan online through the UT Portal, or visit the Meal Plan web-site: www.mealplans.utoledo.edu.

Can I treat a friend to a meal on my plan?

You can! Only you can use your all-you-care-to-eat meals - one meal per meal period, but you can use your Dining or Rocket Dollars to treat a friend to a meal at any of our campus dining facilities.

What do I do if my Rocket Dollars run low?

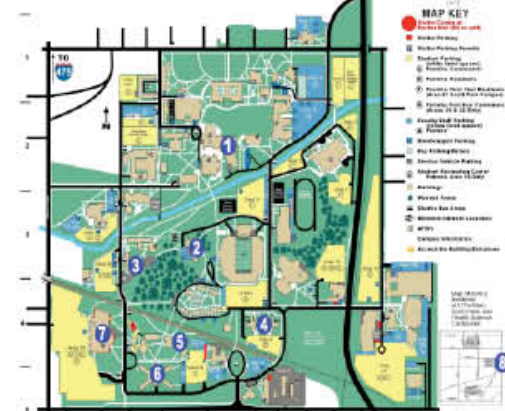

There are three easy ways to purchase more Rocket Dollars. Stop by 1610 Rocket Hall and purchase Rocket Dollars at the Cashier Stand; visit us online at www.rocketcard.utoledo.edu; or add to your account at any Rocket Dollar Deposit station around campus. We accept cash, check or money order. Credit cards can be used online or at the kiosks.
