Wedding Receptions

Congratulations

Thank you for considering Classic Fare Catering for your upcoming wedding celebration. We pride ourselves on making your special day as enjoyable as possible for you and your guests. Please use this brochure as a guide towards planning your event at the Bovee University Center Rotunda Ballroom.

The Rotunda Ballroom

Located on the campus of Central Michigan University, the Bovee University Center is home to the Rotunda Ballroom. With a total seating capacity reaching up to 400 people, the Rotunda exemplifies an exquisite setting for any special occasion. Tulips, lilies, and other flowers grace the campus in the spring and summer, creating a great number of attractive photographic opportunities.

When contracting Classic Fare Catering for your reception, a non-refundable room setup deposit of \$200 is due in order to book your date in the Rotunda. This deposit includes room reservation, setup of all tables, chairs, buffet decorations if applicable, labor, and clean-up. Close parking is available for all receptions held at the Bovee University Center.

A Touch of Class

Create an ambiance of elegance for you and your guests with white linen table clothes on all dining tables. White or burgundy linen napkins will await your guests at each place setting. Select from an impressive array of linen napkin folds to wow your guests.

The head table, cake table, gift table, and buffet tables will also don linen skirting in addition to white linen table clothes for that finely polished look.

Should you require colored linen table clothes on your dining tables to match your decor, there will be an additional charge of \$5 per table. Colored linen napkins are also available for an extra \$0.30 per napkin.

Treating your guests to nothing but the best, china place settings are also included in all dinners hosted in the Bovee University Center Rotunda Ballroom.

In addition, several different centerpieces are available free of charge from Classic Fare Catering. Our staff can assist in adorning the dining tables with any party favors or keepsakes that you are providing for your guests at no additional charge.

For entertainment, take advantage of the large dance floor that the Rotunda offers. A mirrored ball and compact disc player are offered complimentary. Bringing in entertainment or wish to further accentuate the head table? Staging can be provided for \$5 per section. (Typically, four sections of staging would fit a head table with 8-10 people.)

Alcoholic Beverage Services

Alcoholic beverage services are available for your reception in the Bovee University Center Rotunda Ballroom. A full bar or wine bar setup is available and both include a variety of assorted pop and juices. Please refer to our catering guide for complete cash and host bar prices.
