I authorize the changes to my account as indicated, and agree to the current posted Meal Plan policies as stated on the Dining Services Website. I understand that there will be no cancellations or changing of my meal plan after 5:00 p.m. on Monday, August 29th, 2011. Students are responsible for being informed of all fees, policies, and procedures regarding food service before signing this form. They will not be waived because a student pleads ignorance of these policies. A student who is unsure of any fees, policies, or procedures should call (843) 953 - 5539 for clarification. This meal plan information is the most current and accurate available. It supersedes any inconsistent information from other sources.
