

What Is The Bulldog Card Program?

Need A Place To Relax & Get Away!

We Have Got The Plan For You!

ARAMARK Dining Services would like to welcome all returning cadets & incoming knobs to The Citadel as we eagerly look forward to providing the campus community with the finest food service possible. That is why we offer a diverse array of contemporary menus built around healthy & delicious food, excellent service & convenience at the Munneryn Food Court. The Munneryn Food Court is a popular place for students to grab a bite between classes or at mealtime. The Corps of Cadets, commuters, Graduate & Professional Studies students & visitors to The Citadel are welcome to choose from the vast menu selection ranging from breakfast staples to grilled foods, pizza, salads, soups & flavored coffee. All prepared fresh daily.

What is the Bulldog Card Program?

The Bulldog Card Program is a convenient way to purchase food items at the Munneryn Food Court without having to carry cash. Your student ID acts as your Bulldog Card & becomes a prepaid declining balance account when funds are applied. In order to activate your Bulldog Card account, simply mail the attached order form along with a check made payable to ARAMARK to the campus dining office. If you prefer to pay by credit card you may go online at www.dining.citadel.edu & click on the Bulldog Card option.

Knob Only Dining Area

When the Corps of Cadets return for the beginning of the academic school year, knobs will have access to the Munneryn Food Court. There is a separate dining space available for knobs, which allows them the opportunity to bond with their classmates & escape the rigors of corps life. The hours of operation for knobs vary from the regular business hours, but there is still plenty of time for them to relax & recharge. In fact, the average knob spent approximately \$175 in the Food Court during the 2005-2006 academic school year.

FAQs

Am I eligible for the Bulldog Card?

The Bulldog Card Program is available to all students (Corps of Cadets, Graduate & Professional Studies Students & Commuters).

How does it work?

Your student ID acts as your Bulldog Card & becomes a prepaid declining balance account when funds are applied. To make a purchase, simply present your Bulldog Card at the Munneryn Food Court cash register & the amount of your purchase will be deducted from your account. There are no monthly fees or interest charges like a checking or credit card account.

What do I do when my balance runs low?

Reload! The initial deposit is \$100, which you may bring to the dining services office, located on the second floor of Coward Hall, when you arrive at school. The account may then be increased in \$25 increments anytime thereafter.

Will my unused balance expire?

Your funds roll over from semester to semester; however, the full balance must be utilized prior to completion of each academic year. In the event of withdrawal or leave of absence from school, the cardholder must notify the dining services office for a full refund less a \$25 administrative fee.
