

Your Wedding

@ The Centers

The Centers @ SMSU have the flexibility necessary to keep your wishes front and center when planning your wedding reception.

Two beautiful ballrooms can accommodate up to 700 guests.

A wide variety of table linens are available to suit any decorating theme, from informal to ultra-elegant.

Combinations of standing-height bistro tables, 8 or 10 person round tables and 6 foot rectangular banquet tables can be arranged to meet your needs and decorating preferences.

Adjustable staging, elegant draping and special lighting put your head table at the center of attention.

Audio Visual Technology is available to highlight your special day with videos of your wedding or a power-point presentation of childhood pictures.

Tasteful lobby with gorgeous hardwood bar and original artwork makes an excellent receiving area for guest book table, photo display, drinks and hors d'oeuvres, buffet lines and more.

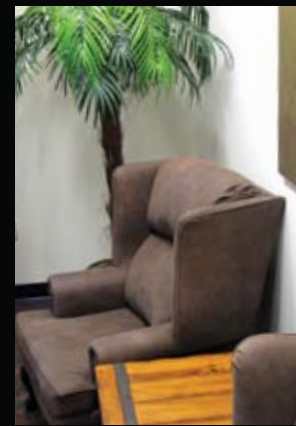

Full-service catering and consulting by ARAMARK covers everything from cake and punch to hors d'oeuvres and served gourmet meals.

Parquet Dance Floor tiles can be arranged to create over 575 square feet of rectangular dance space.

Access to facilities the day before provides ample opportunity to add your own special decorating touches.

Surrounding landscaped gardens and court yards offer many options for special wedding photos.

Adjacent meeting room and private living-room style lounge are available for bridal party needs, quiet space for guests with babies, secure storage, etc.
