HELPFUL HINTS FOR PARTY PLANNING

Food Quantities

The time of day and purpose of the occasion will influence the quantity of food you will need. If you are serving light snacks or refreshments during or near meal times, typically you will need a larger quantity than in-between-meal periods. The quantities planned for per person events are average size portions. We can help you determine the appropriate amounts for your group.

Pick-Ups

The most economical way to host a party is to pick up the food and set it up yourself. Orders can be picked up at Mayberry Dining Hall. We can help you with transport and loading - i.e., loaning a cart, etc. If you need assistance, it's helpful to ask at the time the order is placed.

Delivery

We can deliver your order to any campus location. Delivery charges vary and are based on quantities of food ordered.
