KEEPING UP WITH DINING

CATERING

Check out the new student catering guide online or in the dining services office. This new guide can be used by any organization at Corban College. This guide features quick, casual options like Brown Baggin', Party Fixin's, Snack Attack and more.

For a fun, picnic-themed event, ask for the Great Picnics catering menu.

COMMON GROUNDS AND RFOC

Common Grounds is expanding their offerings to the Corban Community! Don't have time to enjoy a sit-down dinner at the RFOC? Grab something from the freezer, like a DiGiorno Pizza, Lean Cuisine entrée, Hot Pockets, Pizza Rolls, pot pies, and more.

We have also added new breakfast burritos, cake mix Tillamook ice cream, Jimmy Dean breakfast sandwiches and more.

And, coming soon, look for the addition of Amy's Natural, Organic, Vegetarian and Vegan Frozen Meals.

Don't forget to ask about the daily and weekly specials at the Starbucks! Specials have included Snicker's Almond Latte, London Fog and the Nutty Irishman.

Look for the RFOC events calendar to find out what's coming up! You don't want to miss the Chef's Challenge or Mom's Night!

OUR PROMISE TO YOU

The mission of Corban Dining Services is to deliver quality food and services in a clean and friendly environment to the Corban College campus community and guests. Our efforts are focused on providing consistency, quality, and value.

We support Corban's mission to educate and enrich the Corban community and their world.

NUTRITION ON CAMPUS

Seven years ago, Corban Dining Services were leading the way with our switch to a zero trans fat oil. This year, ARAMARK is making the switch nationwide. This change is in response to research, conducted by ARAMARK, that shows consumers are more concerned than ever with their intake of trans fats.

Corban Dining Services is dedicated to making dining a nutritional and education experience. Look around our dining locations and you will see "Fresh and Healthy" newsletters, table tents and other signage offering tips on how to choose a healthy meals, snacking smart, staying fit and other useful information.
