Meal Plan Selection

All Meal Plans are a **TWO SEMESTER COMMITMENT** — you must sign up for the same dollar value Meal Plan in the Spring Semester as you did in the Fall Semester. Any resident who has not lived on the USF Tampa Campus prior to Fall 2011 (Summer residency is not included as a previous term of residence and does not exempt a student from the requirement) must purchase a Meal Plan. Exceptions are transfer students with 12 college attended credit hours or more (dual enrollment not accepted).

The pricing listed below is for the Fall 2011 and Spring 2012 semesters. The meal plan pricing only includes tax on the meal plan portion of the plans. Tax for dining dollars will be added at the time of purchase in our retail locations on campus.

Unused dining dollars will rollover from Fall to Spring semester with your Spring payment that is due by Wednesday, November 30, 2011. All unused dining dollars will expire at the end of the Spring semester on Saturday, May 5, 2012.

Prices are subject to change.

MANDATORY STUDENTS

Mandatory students must fill out this contract and submit it to USF Dining Services online (www.usfdining.com), by mail (USF Dining Services, 4202 E. Fowler Ave., AXA0094, Tampa, Florida 33620) or in our office in the Marshall Center during our regular business hours. Your housing assignment will not be completed until your meal plan contract has been submitted and processed. Full payment for the Fall 2011 Meal Plan, or payment of the \$50 non-refundable administrative fee for students who qualify for the deferred payment option (see details below), is due Wednesday, August 3, 2011. Qualified students must see a meal plan deferment posted to OASIS (go to Financial Aid, and select My Requirements, Deferments & Bookstore Authorizations), before submitting the \$50 non-refundable administrative fee. Full payment for Spring 2012 is due Wednesday, November 30, 2011. Late payments are subject to a \$25 late fee. You may submit the meal plan contract to Dining Services with or without Fall 2011 meal plan payment. If you choose not to submit your payment with your contract, you must send payment to USF Dining Services by Wednesday, August 3, 2011. All payments must be paid to USF Dining Services and are separate from any Housing payments and fees.

VOLUNTARY STUDENTS

Voluntary students must submit payment in full or pay the \$50 non-refundable administrative fee for the deferred payment option for Fall and Spring at time of sign-up of a meal plan. Voluntary meal plans are recommended to be paid prior to the beginning of each semester. A \$25 late payment fee is charged for two semester commitment meal plans if not paid on or before November 30, 2011. All payments must be made payable to USF Dining Services.

We recommend that all payments be submitted 2 weeks prior to the posted due dates to avoid any disruption in the usage of the Meal Plan

Meal Plan Deferment - *please read Terms and Conditions for more information*

A meal plan deferment is available only for students receiving financial aid through the university in the form of scholarships, accepted loans or grants. A minimum dollar amount of financial aid eligibility will be established by Dining Services each semester to qualify for a meal plan deferment. To verify eligibility for this payment option, students must check OASIS (go to Financial Aid, and select My Requirements, Deferments & Bookstore Authorizations) to see if a meal plan deferment has been posted. Students eligible for a meal plan deferment must pay a one-time \$50 nonrefundable administrative fee, which is due with the signed contract. This administrative fee is not applied to the meal plan's total price. The total balance is due no later than Friday, October 28, 2011 for Fall 2011 and Friday, March 9, 2012 for Spring 2012. Your meal plan will be placed on hold if full payment is not received by the above due dates.

***Dining Dollars will not be distributed until payment for the meal plan is made in full.
Meal plan deferments are not available for Bonus Dining Dollars.***

Mandatory Contracts (first year students)

These rules and provisions are subject to mandatory plan participants only:

1. Resident students who have not lived in the residence halls at USF Tampa campus prior to the 2011-2012 academic year are required to participate in a meal plan for both Fall and Spring semesters. Summer residency is not included as a previous term of residence and does not exempt a student from the meal plan requirement for new residents. Exceptions are transfer students with 12 college attended credit hours or more (dual enrollment not accepted).
2. **ALL CHANGES TO MEAL PLANS MUST BE COMPLETED IN THE MEAL PLAN OFFICE.** Adjustments of meal plans can only be done within the original chosen level of the Fall semester. You may opt for a different meal plan in the Spring than you chose in the fall, but this change must be from within your level. Meal plans cannot be changed to a lower level due to housing relocation. Meal plan participants may upgrade a meal plan at any time in the semester. Any additional money owed is due at the time of upgrade. Meal plan participants may downgrade a meal plan within their level prior to Tuesday, September 6, 2011 for Fall 2011 and Tuesday, January 24, 2012 for Spring 2012 paying the same dollar value that was paid in the Fall Semester. The difference in the remaining value of the two plans will be put in a dining dollars account and not refunded. If funds from your USF student account (OASIS) were used for payment of your Fall meal plan, and you downgrade your plan for Spring, you must pay the difference directly to Dining Services (prior to the downgrade). Your Student account (OASIS) will only be charged for the downgraded plan and you are responsible for payment of the difference to satisfy your contractual obligations. After these dates, no downgrades will be accepted. No changes will be made to financial aid accounts after charges have been placed on the (OASIS) account and disbursement of funds has been made by Financial Aid.
3. **Cancellation Policy**
All requests for meal plan cancellation as outlined below must be accompanied by documentation from USF that you have withdrawn from the University or cancelled a mandatory housing contract. Refunds will be prorated for all meal plans, including Block plan accounts, from the date USF Dining Services receives the documentation. All cancellations, regardless of reason, are subject to a \$50 cancellation fee. All cancellations must go to the USF Dining Services Director for review and decision.
 - a) If you officially withdraw from the University or graduate and you notify us prior to the start of the academic year, your meal plan contract will be canceled and you are entitled to a full refund.
 - b) If you officially withdraw from the University after the start of the academic year, or inform us of your withdrawal after the academic year has begun, you are entitled to a refund of the remaining value of the plan, as recalculated on weekly basis and will be charged a \$50 cancellation fee.
4. **Contract Buy-out:** You may opt to buy out your required meal plan contract for any reason at any time. If you choose this option, we will calculate the remaining value of the plan, and you will owe half that cost (which will include the second semester, if applicable). For example, if you want to buy out your contract after the sixth week of Fall semester, you will have 10 more weeks of Fall and 16 weeks of Spring (a total of 26 weeks) left in your contract. You will be charged, according to the remaining value of your selected meal plan, for 13 weeks (half of 26 weeks). The buy-out option assumes the same meal plan will be selected for both semesters (no upgrades or downgrades will be assumed). Your dining dollars will be treated similarly — you will owe half the cost of the remaining dining dollars for your current semester and second semester if applicable.

Voluntary Contracts

The difference in the remaining value of the two plans will be put in a dining dollars account and not refunded. If funds from your USF student account (OASIS) were used for payment of your Fall meal plan, and you downgrade your plan for Spring, you must pay the difference directly to Dining Services. The 5 Day All Access Plan is valid for use at any dining hall during operating hours Monday through Friday only.
4. Meal plans are not transferable to others on the All-Access and Any 15 Plans. Members may bring in guests with the dining dollar portion of their meal plan only.

You may not take a seat in the facility once you have your carry-out box. No double portions on any one item. Only one beverage cup is allowed, and must be used for beverages only. The carry-out box must be fully closed when you leave (no filling up lid and base separately). If you require unlimited seconds, you must dine in. We offer one to go meal per meal period on all meal plans. Failure to follow these rules will result in the forfeiture of your carry-out privileges.

You can receive a temporary card from Dining Services for up to five days at a fee of \$10. You must give us a new card number within the five days, or your meal plan will be placed on hold.
