## **Good Food . . .**

### **On The Go!**

Express strives to make a positive impact on the local and global community by using environmentally friendly products and carrying a selection of locally grown, locally purchased and organic menu items.

Please continue to check this list as we plan to add more “green” items.

\*Our hot coffee and tea cups are made from renewable resources and are certified by the Biodegradable Products Institute to fully compost in a commercial facility in 45—60 days. The cups are lined with NatureWorks Biopolymer, and look and feel like conventional cups but are improved by reducing the need for petro-plastics.

\*Renewable birch stir sticks

\*Compostable cutlery, including forks and knives

\*Unbleached brown napkins made from 100% recycled content

\*Earth Plus all-purpose cleaner designed for the environment

\*All coffee and tea products are purchased locally, from First Colony Coffee & Tea in Norfolk, VA.

\*We sell Fair Trade and Rainforest Alliance Certified shade grown organic regular and decaf coffee.

\*We sell and offer discounted re-fills with our hot and cold Drink to the Earth mugs, made from 77% pre-consumer recycled material.

\*Organic and locally grown or purchased menu items will be indicated on the item identifiers.
